③ OIE update on Resolution No. 16 adopted in May 2016 by the OIE World Assembly of Delegates listing Russia as a country having an FMD free zone where vaccination is not practised: Russia's zonal status has been suspended with effect from 20 October 2016. Click [here](#) to find more details.

Suspension/reinstatement of status

Reinstatement of status

Suspension of status

Suspension of the “FMD free zone where vaccination is not practised” status

Russia

Following an immediate notification received from the OIE Delegate of Russia on an outbreak of FMD in Vladimirskaya Oblast, the status of “FMD free zone where vaccination is not practised”, as recognised by the OIE World Assembly of Delegates in terms of Resolution No. 16 in May 2016, is suspended with effect from 20 October 2016.

Suspension of “FMD free country where vaccination is not practised” status

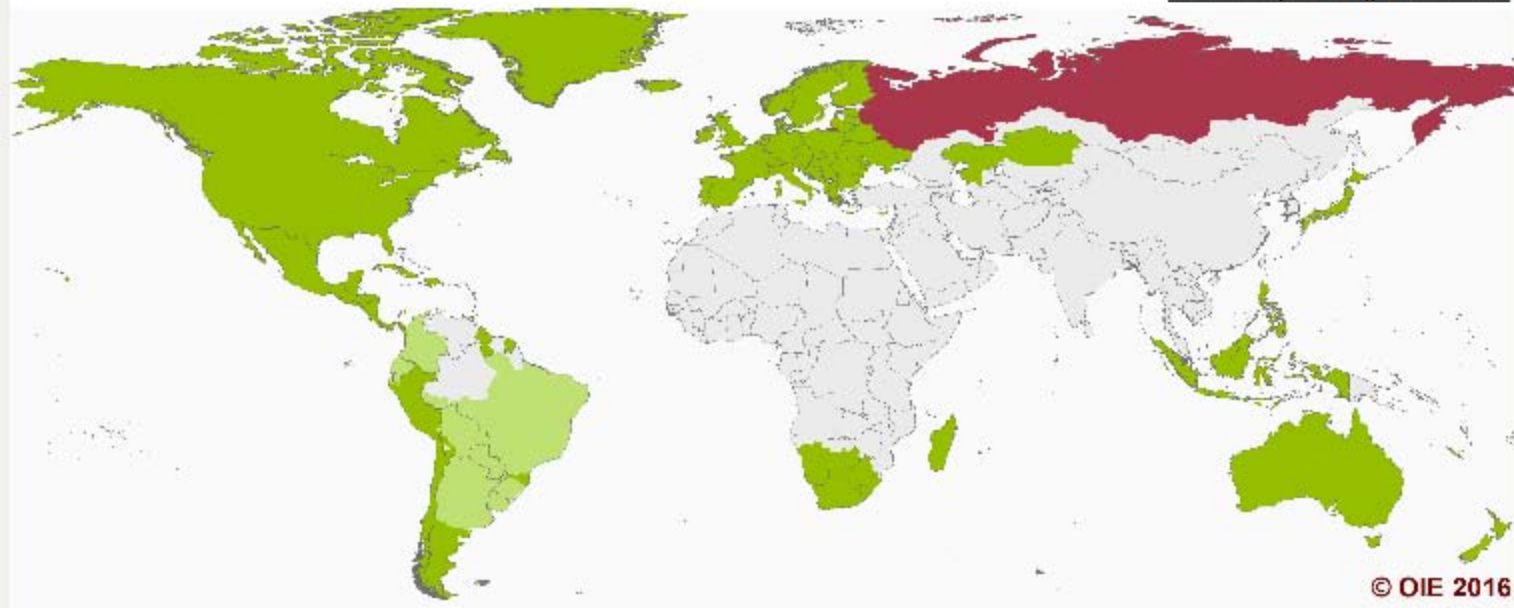

Mauritius

Following a notification received from the OIE Delegate of Mauritius on outbreaks of FMD in his country, the “FMD free country where vaccination is not practised” status for Mauritius, as recognised by the OIE World Assembly of Delegates in terms of Resolution No. XVII in May 2001, is suspended with effect from 7 July 2016.
